SUTTONIAN INOCULATION.

MR. LATHAM, Surgeon to the King's (or 8th) regiment of foot, acquaints the inhabitants of the province, as also those of New-England, that he has open'd convenient houses for the reception of patients, who desire to be inoculated after the Suttonian system, where the most attention will be observed, and every thing necessary provided.

Mr. Latham likewise informs the public, that he is the only person who can inoculate, or who can authorize persons to inoculate after this approved, safe, and successful method, in any part of America, north of Philadelphia; while Doctor Shutteworth (brother-in-law to Mr. Sutton) is the only person that can inoculate, or can cause to be inoculated in the same method, south of Philadelphia. "As the New-England people suffer so severely by the natural small-pox, Mr. Latham assures them, that he will wait upon any sufficient number assembled together to be inoculated; and as his desire is to be of as much service to mankind as he possibly has, he will do every thing in his power to make the Suttonian system to as great utility and practice, as it is now in England, Scotland, and Ireland; where Mr. Sutton has one or two partners in each country.

Mr. Latham has inoculated in Boston, Newly three hundred persons, belonging to Massachusett's Bay and Connecticut governments, who were never confin'd from doing their usual occupations. For further particulars application to be made to Mr. Latham, at his house in Broad Street.
