The Trading People of the City and Government of Montreal.

.Montreal, Jan. 1. 1762.

To which His Excellency was pleased to give the following A N S W E R.

To the Trading People of the City and Government of MONTREAL.

GENTLEMEN,

"Thank you for your very kind Address; and
heartily rejoice with you, in the fignal Successes
of His Majesty's Arms, during the Course of
this War. I flatter mysleft that the new Branch of
Commerce opened to His Majesty's Subjects, by the
Conquest of this Country, will, throw your Integrity,
Care, and Industry, be improved to the highest Ad-

You will find a Readiness in me to encourage your "You will had a Reagness in me to encourage your Endeavours, and fecond your Attempts; and will ever meet with that Protection, for your Perfon and "Properties, which every Perfon, born under, the benign Influence of a British Government, has a "Right to expect and demand."

"I am, Gentlemen, ""I am, Gentlemen, Tumble Sarante.

* Your Most Obedient Humble Servant,

Thomas Gage. On Wedneiday Night laft, about 3 o'Clock, a Fire broke out in a Stable full of Hay belonging to Mr. Duane, which opens into King, firect. It was not differenced till rifen to too great a Heighth to be extinguished. Many Honses were endanger'd, and some took Fire, but as there was little Wind, and the Night rainy, by timely Assistance the Fire was prevented from spreading to any other Building.

NEWPORT, (Rhode Island) February 16.

By a Vessel belonging to Connecticut, which came, into this Port on Saturday last, from Barbados, we have the following Intelligence: That on the sirth Day of January last, Admiral Rodney, with seventeen Sail of the Line, a Number of Frigates, and about One Hundred and Forty Transports, failed from Barbados soft Martinico: That on the twelfth of the same Month, a Fleet of Merchantmen, on whom an Embargo was faid, failed from Barbados, in which Fleet was the above Vessel: That on the listenth they came by Martinico,
